*In order to capture the excitement and romance of your commitment, your wedding day is my sole focus. I help you plan your event and locations and become a helping hand to ensure the success of your day. Weddings packages are priced based on the number of locations, distance and images.*

*All weddings include a DVD of all the images taken from which the client will choose the minimum number of images that comes with the plan to be enhanced for the final presentation. Package prices are subject to change depending on additional requests.*

### Commercial & Web Image Design

| Creative | Props | Models | File Enhancement | Photography |
|----------|-------|--------|------------------|-------------|
|          |       |        | \$40/hour        | \$50/hour   |

*Communicating through the powerful media of digital imaging the client can express quickly ideas, concepts and business profiles that creates a unique connection with the viewer. As in any communication the concept and planning must deliver the messages with clarity and power to achieve its purpose. All final prices are dependant upon the scope of the project and quotes will be provided. I promise you the most competitive pricing in the industry.*
